Dear Occupiers,

Hunts Grove
Hardwicke
Gloucester

**Re: Highway Surfacing Newsletter Update
Harrier Way, Hunts Grove**

We appreciate everyone's ongoing patience with the works and following the completion of Phase 2 of the surfacing to Harrier Way, we wanted to provide you with an update on the final phase of surfacing.

Phase 3:

Phase 3 consists of the final crossroad section on Harrier Way at the junction of Lime Tree Avenue and Red Kite Rise.

The works will involve planing of areas of the existing carriageway; excavation of damaged surfacing and culminating in the laying of new red tarmac to form the finished surface.

When?

The third phase of surfacing, along with all preparatory work is proposed to take place between **Wednesday 18th December and Friday 20th December 2024 (inclusive)**.

During this **3-day period** there will need to be a complete closure of Harrier Way at point G shown on the plan below.

As before during the closure the diversion route will be signed and will be along Harrier Way past the school and onto Hunts Grove Drive and Marconi Drive. Those residents living on Harrier Way north of the closure will still be able to access their properties as normal and enter via Marconi Drive, along with residents living along Red Kite Rise/Tawny Close/Pine Marten Close.

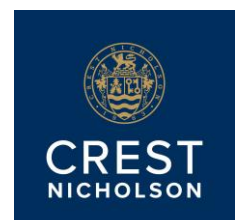

Unfortunately it will not be possible to allow buses to access Hunts Grove safely and so the bus service will be temporarily stopped with the bus only coming as far as the roundabout at the end of Waterwells/Marconi Drive. Details of the nearest bus stops will be posted on the stops in advance.

Crest Nicholson South West

Crest House, Lime Kiln Close, Stoke Gifford, Bristol, BS34 8ST

The above dates are subject to change if unforeseen issues arise, but the closures will also be limited or shortened, if at all possible, with further updates to be provided as the work progresses.

Further Works:

There will be some further surfacing works to take place on Lime Tree Avenue in the New Year, with dates to be confirmed but these will not involve the closure of Harrier Way.

Additionally sections of footpath are still to be surfaced along Harrier Way, but these will be undertaken with localised traffic management and not road closures and are anticipated during January.

We appreciate your ongoing cooperation with these works and always seek to minimise disruption as much as possible.

Yours sincerely,

Crest Nicholson
